bottom of page 149 in the 4.6.4 manual, there is a typo = "van der Wheals" (I couldn't find the 4.6.5 manual, so I didn't check there).

History

#1 - 05/22/2014 10:21 PM - Erik Lindahl
- Category set to documentation
- Status changed from New to Fix uploaded
- Affected version - extra info set to 4.6 too
- Affected version changed from 4.6.4 to 5.0

Fixed in 5.0 at least (https://gerrit.gromacs.org/3484); we've merged the manual into the main repository, so since 5.0 is imminent I'll not go back and adjust the separate 4.6 manual repository.
