turning off OpenMP after a configure pass results in link-time error

Status: Closed
Priority: High
Assignee: Mark Abraham
Category: build system
Target version: 5.0
Affected version - extra info:

Description
After configuring with default or manually set GMX_OPENMP=ON, turning it off results in link time errors that complain about undefined references to OpenMP API functions.

Associated revisions
Revision 38504456 - 02/13/2014 02:21 PM - Magnus Lundborg
Removed option to use OpenMP with the TNG library.
OpenMP was only used for compiling a few of the examples. With the latest version of the TNG library the detection is done when compiling those examples and skipping them if OpenMP is not available.
Fixes #1432
