

GROMACS - Task #3347

Feature # 3114 (New): Improve GPU update-constraints module

Feature # 3351 (New): GPU update-constraints code organization and integration

GPU update-constraints: Reconsider naming

01/23/2020 11:40 AM - Artem Zhmurov

Status:	Closed	
Priority:	Normal	
Assignee:	Artem Zhmurov	
Category:		
Target version:	2021-refactoring	
Difficulty:	uncategorized	
Description		
Use GPU suffix instead of CUDA, since there are plans to generalize the implementations to other platforms.		

History

#1 - 01/23/2020 11:58 AM - Artem Zhmurov

- Subject changed from GPU update-constraints refactoring: Reconsider naming to GPU update-constraints: Reconsider naming

- Parent task changed from #3114 to #3351
