

GROMACS - Bug #7

Environment variable IAMCOOL crashes program luck

09/02/2005 08:22 PM - David van der Spoel

Status: Closed	
Priority: High	
Assignee: David van der Spoel	
Category: mdrun	
Target version: 3.3_rc1	
Affected version - extra info:	Difficulty: uncategorized
Affected version:	
Description	
See summary.	
When the environment variable is set, the luck program crashes, while other programs have do not give a proper thanx output. bromacs() output is OK.

Hi David,

Was this bug fixed by the revision you did on Sep 2?

Cheers,

Erik

#2 - 09/05/2005 05:39 PM - David van der Spoel

Fixed in source code. A new environment variable was introduced: GMX_NO_QUOTES that when set prevents printing of cool_quotes.
