Description	
<p>Hi, The reference one is asked to quote in g_covar is:</p> <p>+++ <u>PLEASE READ AND CITE THE FOLLOWING REFERENCE</u> +++ D. Eisenberg and A. D. McLachlan Solvation energy in protein folding and binding Nature 319 (1986) pp. 199-203</p> <p>I think this isn't the right one.</p> <p>Cheers, Ran.</p>

There is no citation request at all in this program. Eisenberg is used in g_sas if you compute free energies of solvation.
