

## GROMACS - Bug #57

### g\_hbond -g is broken

03/23/2006 01:20 PM - Jonathan Moore

<b>Status:</b> Closed	
<b>Priority:</b> High	
<b>Assignee:</b> David van der Spoel	
<b>Category:</b> analysis tools	
<b>Target version:</b> 3.3	
<b>Affected version - extra info:</b>	<b>Difficulty:</b> uncategorized
<b>Affected version:</b>	
<b>Description</b>	
When I use the -g option to try to write a log file for a run of g_hbond, the log file is not written.	

### History

#### #1 - 03/27/2006 10:22 PM - David van der Spoel

This option may have worked before version 3.2.1. In 3.2.1 it produced empty files, and in 3.3 it is not used anymore. The option will be taken out completely. Please check the other open bugzilla's for g\_hbond to see whether one of these describes your real problem, which I presume is not the log file itself.
